K7STA

Michael John Seidelle, age 83, of Phoenix, Arizona died on August 31, 2022. Michael passed away surrounded by his loved ones after having a stroke. Please join us in celebrating his life Saturday, October 8, 2022, between 2:00 p.m. – 4:00 p.m. at Hansen Mortuary, 8314 N 7th Street, Phoenix, AZ 85020, with his many dear friends and honorary family members present. Michael was born in Akron, Ohio and came to Phoenix, Arizona at the age of ten with his parents, Louis, and Irene Seidelle. He attended and graduated from St. Mary's High School and was part of the Operetta and Glee Club. He was a handsome, tall, red-headed young man. He served as a Lieutenant on the Maricopa County Sheriff Posse during 1960s. During that same time, he ran the Furniture Rental Store on Central Avenue for over 30 years until selling it in 1988. He then went to work at Home Depot in Scottsdale for 28 years before retiring from there. His hobbies and interests included technology and amateur radio. He belonged to the Northern Arizona Repeater Club. He and his gang took care of the Towers Mountain-Crown King radio antennas. He devoted much of his time and energy as an honorary Metelski. He was also a caregiver to friends, including his mother until she passed away at age 63. He leaves behind his adopted family; he was a very proud member of this family. At all Metelski gatherings, Michael was the 'pie guy,' he would always bring pumpkin, cherry, apple, and chocolate silk pies. Now we don't know who will be the new 'pie guy' for our next gathering. He will be sorely missed. He was preceded in death by his father, Louis, in 1965 and his mother, Irene, in 1970. In lieu of flowers, please donate to the following charitable organizations Michael believed deserved his money and would like your money as well. St Mary's Catholic High School. A private family "celebration of life" will be held at his final resting place due to a lot of his friends and family not being able to attend, because they decided to beat him to the Pearly Gates. Please note his new change of address to his new place of residence, St. Francis Catholic Cemetery, 2033 N 48th Street, Phoenix, AZ 85008 in the mausoleum.

**Mike was a member of Towers and SARBA.**
